Our church is committed to making all activities as open and accessible to all

I think that it will take me several weeks to process all that we experienced in Tanzania. The amazing things we encountered and also the challenging things.

At this stage I want to say thank you to you all. Thank you for making it financially possible for us to go and thank you for your prayer support. Of course, the finances are important, but it was the prayer that sustained us throughout. We saw some miracles; we met some incredible people and through your prayer we were able to minister God's blessing and the empowering of God's Holy Spirit to church leaders who were in real need of spiritual refreshment.

Before our services this Sunday I will put together a photo reel for you all to see and we may do a morning in the next few weeks to feed back on the trip. Until then from Jacob and I, a huge thank you once again and do keep the Tanzanian church in your prayers.

Have a blessed week.

Tim
