

St Mary Magdalene Church, Littleton

Weekly Newsletter

10 October 2026

Our church is committed to making all activities as open and accessible to all

This morning I had the privilege of being at the Harvest Festival of Littleton school. The Hall was packed with children, adults and food, a lot of which was supplied by our amazing congregation last week. In addition, the reception area of the school was overflowing with food that the children had brought it.

During my short talk I held a can of soup in my hands and asked where it had come from? After discovering that the soup was Minestrone and contained some pasta, one of the children said that it has come from 'Italy' which I thought was genius. I was trying to get to the point that a lot of the food had originated from a seed in the ground, but Italy would do!

Harvest is such an important thing in our community. According to the statistics from 2024 nearly a ¼ of the people in our borough accessed a foodbank. Added to that 10% of children are living in low income families. You can see just how important Harvest and our foodbanks really are.

Thanks again for all you have given and, if your food comes from Italy or out of the ground, remember that, as we give what we can, it literally changes lives. (Remember you can give every week to into our food box at the back of St Mary Mags).
