Our church is committed to making all activities as open and accessible to all

How many new starts do we all need in life? To be honest I think it's a daily thing. The amount of mistakes I make most days make me grateful for new starts. September in a church always feels like a new beginning. The summer holidays are over, the schools are back and as a church household we are back to two services. With new starts come new opportunities, new possibilities, renewed hope.

With Jesus all these things are reality. His mercies are new every morning. His love is never ending, his forgiveness is constant, his grace is vast. If you need a new start today Jesus reaches out to you to give you just that. Have a blessed week and join us on Sunday for either service and then for lunch in the school afterwards.

Have a blessed week,

Tim
