Our church is committed to making all activities as open and accessible to all

Sometimes we pray and we never really know the answers to our prayers. We might pray for things in other countries or we get asked to pray about something from a friend and we just never hear what happened next. Well last week I asked us to pray for our young people who were away on the youth camp at Danehill. This week it's great to report some answers to those prayers. The 10 young people plus two leaders had a great time. New friendships were formed, a huge amount of fun was had, a lot of food was consumed, young people joined the worship band and most importantly the young people went deeper in their walk with Jesus. Some of our young people, who are newest to the group and don't necessarily have faith yet, began to show genuine interest in Jesus and asked some pretty searching questions.

Do continue praying for our young people through the rest of the summer and for the younger and older youth teams as they plan for the next term.

Thanks for all your prayers they make such a difference,

Have a blessed week,

Tim

Let your merciful ears, O Lord, be open to the prayers of your humble servants; and that they may obtain their petitions make them to ask such things as shall please you; through Jesus Christ your Son our Lord, who is alive and reigns with you, in the unity of the Holy Spirit, one God, now and for ever.
