Our church is committed to making all activities as open and accessible to all

It's trophy season in the Rose household. A couple of weeks ago we had the first St Mary Mags cricket team awards where Jacob won moment of the season and Luke won players' player. The other awards went to Billy Shanahan, most improved player, and Colin Hare won the captain's player of the year award.

On Saturday night I will be at the Shepperton cricket club awards where as 3rd x11 captain I will have to make some decisions about award winners and present some trophies. I always find it slightly difficult choosing individual award winners in team sports. Everyone has been working hard yet some people are deemed to have worked harder and achieved more than others.

Individual awards aren't something we often think about when following Jesus, yet Paul in Corinthians calls us to run as to win the prize, James reminds us that we will receive the crown of life and John in Revelation tells us to do the same and Paul describes a prize in Corinthians as a crown.

As we keep on following Jesus, keep believing, keep doing what he is calling us to do. Keeping loving, keeping forgiving we will receive our individual and collective prize and believing is actually all we have to do to win.

Have a great week, Tim
